Faith to Fruit: Aspiring to Abundance

*Yield now and be at peace
with him. Job 22:2*

Linda Evans Shepherd shares refreshing encouragement as she teaches audiences how to walk away from their worries and walk, hand in hand, with the Lord. Linda uses humor and drama as she shares her experiences and dramatic testimony. She says, "There's a point in my presentations where the women in my audience appear to have each had a face lift and to have lost twenty pounds. It's like we've spent the day in a spa of refreshing encouragement."

Linda is an international speaker, radio and television host, leader of Advanced Writers and Speakers Association and Right to the Heart, co-founder of Jubilant Press and publisher of Right to the Heart of Women Ezine.

She's been married twenty-nine years to Paul and has two teenagers. She's authored and coauthored over 20 books including *Share Jesus Without Fear* and *The Pot Luck Club*, and soon to be publishes, *Be Your Own Prayer Project*.
