Prayer at the Altar

Here at First Friends, God works through prayer. We offer different opportunities for prayer at our altar each Sunday. During our musical worship, if you would like to come and pray at the altar in private, we invite you to come to the left side by our cross. If you would like one of our Prayer Team to pray with you, please come to the opposite side (right) of the altar. We will also continue to offer prayer at the end of each service.

Is the Gospel still good news...or is it new news?

Old News? Fake News? Impossible News? In a social media culture overpopulated with the sharing of personal thoughts and opinions, status updates and “retweeted” headlines, it can be difficult to maneuver through the muck and answer the question; what really is “Good News?”

At Christmas time, we hear this phrase “Good News” refer to the exciting announcement and anticipation of Christ’s birth. But is that news still ‘Good’ and relevant for today? Over the next month, the pastoral team at First Friends will be maneuvering this question by delving into God’s Word to see what it has to say about the “Good News” and how it should shape our perspective this Christmas season. The hope is that you and your family will understand not only the important revelation of what God has saved us from and to, but also what He has saved us for, as we are sent into our various “mission fields” of life to proclaim His truth.

Join us as we ask, “Is the Gospel still Good News?”

Today we will hear from Paul Johnson, Pastor of Senior’s Ministry and Pastoral Care.

Pastor Stan Hinshaw, Lead Pastor

Thank You for Considering Others in Worship

Please silence your cell phones during the worship service. Also, if your child becomes restless and loud, the service can be heard in the hall, the women’s restroom nursing room, or you can take your child to one of our excellent church nurseries.

REACHING NEIGHBORS & NATIONS

Refuge of Hope (ROH)

At age 20, Tyvon became homeless. “I was out there for more than 6 months,” Tyvon says. “It was a disaster, trying to stay warm and sleep under bridges. It was scary...” Tyvon’s mother just packed up and left one day and this young man was suddenly alone and homeless. When he sought help through a local agency he was referred to Refuge of Hope. While at Refuge of Hope, Ty found his need for food, shelter, and clothing were immediately provided. After a few weeks, he began to see how he would be able to manage his life on his own. When Ty left Refuge of Hope he had a job and a place to live. Because of generous supporters, Ty found hope for a brighter future!

The future looks brighter for ROH, too, as they close out the silent phase of their campaign. They are pleased to announce that Ron and Dawn Hartman contributed a very generous donation of \$1 million to the campaign. The new building will be called the Ron and Dawn Hartman Center. Pray with ROH that during the public phase of the campaign they will finish strong, and God willing, break ground next spring! For a first look inside the 19,000-square-foot energy efficient facility that will double the beds in the men’s shelter and double the seating in the meal ministry, please visit
